

Julia Alexa - Please Hold Me

tom:

F

I'm on my own most times

Am

And I hate every part of it

G

I fight all my fights alone

F

I spend all my nights alone

F

And I draw my lines

Am

Way too close to myself

G

Nobody gets through to me

F

Nobody knows the real me

[Refrão]

F

So if you wanna hold me

Am

Please just do

G

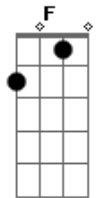

Cause I'm so sick of being lonely

F

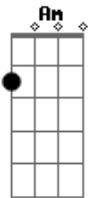

I'd do anything for you

And if you wanna kiss me

Am

I'd let you

G

If it makes me feel less lonely

F

I don't care if I'm being used

F

Often I talk to myself

Am

Still so scared of getting help

G

Have no one to talk to and

F

No one who cares enough to know

That I'm bad at doing this

Am

Never know how to say it

G

But I need you close right now

F

And I need to be held somehow

Am **C**

Stay right here with me tonight

Em **F**

Stay right here with me, alright?

Am **C**

Stay right here with me tonight

Em **C**

Stay right here with me, alright?
