

Julia Baracho - Maybe

tom:

Intro: G Em7 Cadd9 Em7 D

G Cadd9
We are like a moonless night
Em7 D
Until you admit that we weren't made for each other
G Cadd9
They say that the opposites attract]
Em7 D
Must be why there is a so strong

Chemistry in the air

Em7 Cadd9
Every night, always thinking of you
Em7 D
Thinking well now you aren't only in my mind
Em7 Cadd9
Because can't take you away from me
D
Yeah can't take you away from me

G Cadd9
Maybe you'll need me to light the fuse
Em7 D
Maybe you'll need my dynamite
G Cadd9
Maybe you'll need me to fix it later
Em7 D
But know that even if you try to flee
G
I won't let you go
Cadd9
Won't let you leave
Em7 D
Won't let you get away from me

G Cadd9
We are like a song with no notes
Em7 D
Until you make my melody, make my melody yeah
G Cadd9
You will take me with you I know
Em7 D
For remembering the old days when we used to be together
Em7 Cadd9
While I shouted for you without knowing
D

Acordes

That I loved you, I loved you babe

G Cadd9
Maybe you'll need me to light the fuse
Em7 D
Maybe you'll need my dynamite
G Cadd9
Maybe you'll need me to fix it later
Em7 D
But know that even if you try to flee
G
I won't let you
Em7
I may not be right but something tells me
Cadd9
That one day you will need me
D Em7 D
To light the fuse, to light your fuse yeah
Em7 Cadd9
And I know that one day you will need my dynamite
D
My dynamite, will need my dynamite

[Solo] G Em7 Cadd9 Em7 D
G Em7 Cadd9 Em7 D

G Cadd9
Maybe we're like the happiness in a tragedy
Em7 D
Until you admit
G
That you love me
Cadd9
You love me-e
Em7 D
That you love me
G
And we'll be alright
Cadd9
We'll be fine
Em7
We'll be alright
D
We'll be strong
G Cadd9
And we'll be forever
Em7 D
Forever
