

# Julia Baracho - Maybe

tom:

Intro: G Em Cadd9 Em D

G Cadd9  
We are like a moonless night  
Em D  
Until you admit that we weren't made for each other  
G Cadd9  
They say that the opposites attract]  
Em D  
Must be why there is a so strong

Chemistry in the air

Em Cadd9  
Every night, always thinking of you  
Em D  
Thinking well now you aren't only in my mind  
Em Cadd9  
Because can't take you away from me  
D  
Yeah can't take you away from me

G Cadd9  
Maybe you'll need me to light the fuse  
Em D  
Maybe you'll need my dynamite  
G Cadd9  
Maybe you'll need me to fix it later  
Em D  
But know that even if you try to flee  
G  
I won't let you go  
Cadd9  
Won't let you leave  
Em D  
Won't let you get away from me

G Cadd9  
We are like a song with no notes  
Em D  
Until you make my melody, make my melody yeah  
G Cadd9  
You will take me with you I know  
Em D  
For remembering the old days when we used to be together  
Em Cadd9  
While I shouted for you without knowing  
D

That I loved you, I loved you babe

G Cadd9  
Maybe you'll need me to light the fuse  
Em D  
Maybe you'll need my dynamite  
G Cadd9  
Maybe you'll need me to fix it later  
Em D  
But know that even if you try to flee  
G  
I won't let you  
Em  
I may not be right but something tells me  
Cadd9  
That one day you will need me  
D Em D  
To light the fuse, to light your fuse yeah  
Em Cadd9  
And I know that one day you will need my dynamite  
D  
My dynamite, will need my dynamite

[Solo] G Em Cadd9 Em D  
G Em Cadd9 Em D

G Cadd9  
Maybe we're like the happiness in a tragedy  
Em D  
Until you admit  
G  
That you love me  
Cadd9  
You love me-e  
Em D  
That you love me  
G  
And we'll be alright  
Cadd9  
We'll be fine  
Em  
We'll be alright  
D  
We'll be strong  
G Cadd9  
And we'll be forever  
Em D  
Forever
