

Julia Baracho - The Song I Wrote 4 You

tom:

Intro: **B** **Db** **Ebm** **Db**
B **Db** **Gb**

B I could have died walking towards the ocean **Db**
And the waves would have caried my body to the Sun **B**
We?d be together after all **Gb**

B And we?d be happy **Db**
We?d be free, blind and reckless and fun yeah **Ebm** **Db**
As we should **B**
Since the begining of our time **Gb**

B Waves crashing **Db**
Worlds falling apart slowly easily **Ebm** **Db** **B**
Natural desastres in my head **Db** **Ebm** **Db** **B**
Walls falling **Db**
Is help comming now? **Ebm**
Please save me from myself **Db** **B**
Nothing?s ever been quite right **Gb**

B God I need some help **Db**
Yeah I need some help **Ebm**
This is my crying for help **Db** **B** **Db**
In my knees I?m praying for help **Gb**
This is my cry for help

B You won?t even show cause you?re too scared **Db**
They won?t handle the pain **Ebm**
They?ll imagine once they hear **Db** **B**
All the storys you've got, my dear **Gb**

B So keep it to yourself, don?t you dare **Db**
They like fake smiles and fake happy people **Ebm** **Db**
And pretty fuckin lies **B**

They don?t like truth, pain and red lines

Not even your friends stick

Till the end of your stories right

B Waves crashing **Db**
Worlds falling apart slowly easily **Ebm** **Db** **B**
Natural desastres in my head **Db** **Ebm** **Db** **B**
Walls falling again **Db**
Is help comming now? **Ebm**
Please forgive me, myself **Db** **B**
Nothing?s ever been quite right for me **Gb**

B God I need some help **Db**
Yeah I need some help **Ebm**
This is my crying for help **Db** **B** **Db**
In my knees I?m shakin for help **Gb**
This is my cry for help

Db They told me that it will be over soon **B**
So listen to the song I wrote for you **Db**
For the darkest time, for the worst goodbyes **B**
Big lies cutting like tiny knives **Db**
But leaving scary scars **B**
You?re not your worst part **Gb**
Not by far **B**
Just remember **Gb**
Always remember **B**
To remember yourself

B Guess I?m tired **Db**
Cause I wont ask again **Ebm**
Baby not again **Db** **B**
Did you hear me? **Db** **Gb**
The first time
