

Júlia Maria - Like butterflies

tom:

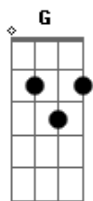

I'm beautiful
Is what everyone says
I try to believe
But it is not easy
I was always the "perfect girl"
Who gets high marks
It's not insecure
And willing for everything
But I changed
As I never imagined it to be
I have low self - stream
But I'm doing everything to change, because
I believe there is a light in all the darkness
I may not have friends, I may be insecure
But I'm like a butterfly, It's wings are beautiful

Am F
But you can't see how beautiful it is
C G Am F
Just learn to fly, that makes you happy even alone
(C G Am F)
C G Am F
Need to stop letting other people's opinion affect my self - stream
C G Am F
Because I know I'm beautiful, I have a beautiful voice, as much as
C G
I can't see it
C G Am F
I learned to keep myself happy, because
C G
I believe there is a light in all the darkness
Am F
I may not have friends, I may be insecure
C G
But I'm like a butterfly, It's wings are beautiful
Am F
But you can't see how beautiful it is
C G
I believe there is a light in all the darkness
Am F
I may not have friends, I may be insecure
C G
But I'm like a butterfly, It's wings are beautiful
Am F
But you can't see how beautiful it is
