                          Am    C
I know you're out in Cabo
                         F
Hanging with your brother
                  C
Wishin' that I was your bottle
Am        C                       F  C
So I could be close to your lips again
                    Am    C                          F
I know you didn't call your parents and tell 'em that we ended
                 C
'Cause you know that they'd be offended
Am         C                      F  G
Did you not want to tell 'em it's the end?

F                        G        Am
And I know we're not supposed to talk
                 C           F
But I'm getting ahead of myself
                G   Am
I get scared when we're not
                      C          F
'Cause I'm scared you're with somebody else
              G   Am
So, I guess that it's gone
                 C         F
And I just keep lying to myself
 G       Am
Oh, I can't believe it, I

I miss you, yeah, I miss you
N.C.
I miss you, yeah, I miss you, oh, I do
Am  C       F        C
I miss you, yeah, I miss you
Am        C                    F  C
Though i'm trying not to right now

( Am   C   F   C )
( Am   C   F   C )

                      Am
You weren't a fan of pictures
   C                        F
So I hardly ever took 'em
                    C
Got them saved in my mind from the bedroom
Am          C              F  C
So that way I can't forget your skin
                    Am
So I saved all the texts
      C              F  C
All of the best over the years
          Am       C              F  C
```

```
Just to remind myself of how good it is, or was

F                        G        Am
And I know we're not supposed to talk
                 C           F
But I'm getting ahead of myself
                G   Am
I get scared when we're not
                      C          F
'Cause I'm scared you're with somebody else
              G   Am
So, I guess that it's gone
                 C         F
And I just keep lying to myself
 G       Am
Oh, I can't believe it, I

I miss you, yeah, I miss you
Am  C       F        C
I miss you, yeah, I miss you, oh, I do
Am   C      F        C
I miss you, yeah, I miss you
Am        C                    F  C
Though i'm trying not to right now

( Am   C   F   C )
( Am   C   F   C )
( Am   C   F   C )

                      Am
So I saved all the texts
      C              F  C
All of the best over the years
             Am       C              F  C
Just to remind myself of how good it is,
                        Am          C
Yeah, I saved all the texts off of my ex
          F  C
Minus the tears
             Am       C              F  C
Just to remind myself of how good it is, or was
'Cause I

Am  C         F       C
I miss you, yeah, I miss you
Am  C       F        C
I miss you, yeah, I miss you, oh, I do
Am   C      F        C
I miss you, yeah, I miss you
Am        C                          F
Though i'm trying not to right now
          C
I can't help it, I just

( Am   C   F   C )
( Am   C   F   C )
( Am   C   F   C )

Am        C                        F  C
Though i'm trying not to right now

I can't help it, I just
