

Julia Michaels - Lie Like This

tom:
Capostrate na 1ª casa
Intro: F G Am Em

[Verse 1]
He says I'm pretty upside down
Pretty right side up to
Turn me halfway around
He says I'm emotionally sound
Emotionally fucked, too
Now I'm all turned around

[Pre-Chorus]

He says I'm daydreamin', about leavin', for no reason
Well I got, hayfever, from my feelings, yet I don't

[Chorus]

Head on your shoulder you keep pullin' me close
I'm spillin' over tryin' not to unfold
I don't need to tell you but I'm lettin' you know
The truth is I can't resist
Whenever we lie like this
Held onto horses but I'm lettin' them go
We're right on course to never stop or go slow
I don't need to tell you but I'm lettin' you know
The truth is I can't resist
Whenever we lie like this, yeah

[Post-Chorus]

Lie like this, lie like
Lie like this, lie like
Can't resist
Whenever we
Lie like this, lie like
Lie like this, lie like
Can't resist

[Verse 2]

He says I'm kinda too upfront
When I'm drivin' from the backseat
So lead me where you want
He says I'm a little too hard to handle
A little too tough to get to

But beautiful once you breakthrough

[Pre-Chorus]

Yeah, he says I'm daydreamin', about leavin', for no reason
Well I got hayfever, from my feelings, yet I don't

[Chorus]

Head on your shoulder you keep pullin' me close
I'm spillin' over tryin' not to unfold
I don't need to tell you but I'm lettin' you know
The truth is I can't resist
Whenever we lie like this
Held onto horses but I'm lettin' them go
We're right on course to never stop or go slow
I don't need to tell you but I'm lettin' you know
The truth is I can't resist
Whenever we lie like this, yeah

[Post-Chorus]

Lie like this, lie like
Lie like this, lie like
Can't resist
Whenever we
Lie like this, lie like
Lie like this, lie like
Can't resist

[Chorus]

Head on your shoulder you keep pullin' me close
I'm spillin' over tryin' not to unfold
I don't need to tell you but I'm lettin' you know
The truth is I can't resist
Whenever we lie like this
Held onto horses but I'm lettin' them go
We're right on course to never stop or go slow
I don't need to tell you but I'm lettin' you know
The truth is I can't resist
Whenever we lie like this, yeah
