

Júlia Rocha - Amor de Hoje

tom:

Dm

Intro: Em A7 Dm A7

Meu dia nasceu de Sol

Segredo que vou lhe contar

Eu vou tatuar seu nome

No canto do meu cantar

(D7)

Eu quero ver seu molejo

Passar meu olhar

Fingir que nem te desejo

Enquanto te beijo no mar

Eternizar o que eu vejo

Dois corpos no mesmo lugar

Um sonho

Pra você realizar (ah, meu amor)

Ai meu amor de hoje

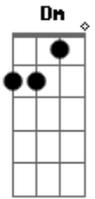

Me diz logo o seu nome

Pra eu poder me apaixonar

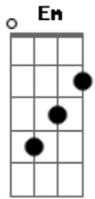

O amor, o amor me consome

Não some sem me beijar (ah, meu amor)
