

# Julia Sprecher - Road of Choice

tom:

**Abm**

**Dbm**

As Im walking through this hole  
**Dbm**  
 you tell me not to grow  
**E**  
 But Im all I have  
**Abm Dbm**  
 A spinning soul  
 Hes screaming from the mine  
 I keep it on my time  
**E Abm Dbm**  
 Giving all my love to the source  
**Dbm**  
 but I can grow I am bold  
**E Abm Dbm**  
 Bold in the soul

**Dbm**

He say you're scandalized  
 Stands up but not aside  
**E Abm Dbm**  
 With some love but not so self assure  
**Dbm**  
 He stuck in a bloodline  
**Dbm**  
 So crazy from desire  
**E Abm Dbm**  
 from many many year that build up strong

**A**

And I strong believe this road  
**A Dbm**  
 will take my bones that re grown

**A**  
 but I am bound to This soul  
**Dbm**  
 down the hole we go

**Dbm**  
 You're standing with a sign  
**Dbm**  
 All creatures cantilized  
**E Abm Dbm**  
 no ground for me my love is sure

**Dbm**  
 This song is not on me  
**Dbm**  
 I can?t believe it has to be  
**E Abm Dbm**  
 All again maybe My love is wrong

**A**  
 Meanwhile all my enemies  
**Dbm**  
 Rest in peace of mind  
**A**  
 But tomorrow darling  
**Dbm**  
 I'll be holding paradise

**A Dbm**  
 Don?t wait for me I know I can be free  
**E Abm Dbm**  
 If I choose to be with you  
**E Abm Dbm**  
 Is because I have a choice

( **E Abm Dbm E Abm Dbm** )  
 ( **E Abm Dbm E Abm Dbm** )
