

# Júlia Vargas - Desabafo

tom:

Am

Eu quero a minha vida como ela é

Como o povo sabe como o chão no pé

Como a água doce pra matar a sede

Me deitar na rede tomar o café

Ser um ser humano sem tabu, sem preconceito

Ser errado, ser direito, acreditar e não ter fé

Cada um sabe o sapato onde aperta

A minha porta é aberta

Qualquer um pode entrar

Não ligo, faço, aconteço

No outro dia eu esqueço

Pra de novo começar

A minha vida sem chorar

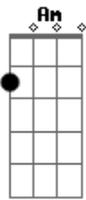

E quem quiser pode falar, falar

Falar, falar, falar, falar, falar

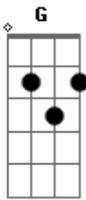

Que eu não vou mudar
