Common sense.

C Am  
You promised you would never ruin it with sequels,

Dm G7 C Am  
I wake for you, on and on

[Chorus:]

Beyond all ideas of right and wrong there is a field,  
C  
I will be meeting you there.

Dm G7 C Am (2x)

Dm G7  
The moon's a skull, I think it's grinning  
C Am  
The room is full of people now I think it's spinning

Dm G7  
Wanted you,  
C Am  
Didn't ask for nothing.  
Dm G7 C Am  
Wait for you, on and on

And I don't need your tie, I don't need to, tired of saying  
Dm G7 C  
it.

Am  
We don't need more talk, don't empty out your canteen on the  
desert floor.

[Guitar Solo:]

Dm G7 C Am (4x)

Dm G7  
Never wanna spell it out,  
C Am  
I just want to say that it is all my fault,  
Dm G7  
I could never spit it out,  
C Am  
I don't wanna fix your tie.

Dm G7  
Never want to say we're sad,  
C Am  
Thankful that we got some chance,  
Dm G7  
I know you won't get back your time,  
C Am  
I wish that you could take it back.

[Chorus:]

Beyond all ideas of right and wrong there is a field,  
C Am  
I will be meeting you there. (3x)

G GM7 G

Am D7  
He wanted it more than me, I suppose

G C  
I was in a rush to wait in a line.

Am D7  
Now I hear echoes of my old self,

G C  
This is not the way to be.

Am D7  
All at once,

G C  
I lost my way.

Dm Am (2x)

Dm Am  
Is it not true, the things that we did?

Dm  
Come here at once and look what they did

Am  
Come here shut down and tune in tonite,  
Dm

Am  
Learn the words that they teach you without you realizing it  
Dm Am  
Come here sit down and watch some TV

Dm Am  
Mine all mine, wait your turn,  
Dm Am  
Cross my cross, slice his hand,  
Dm Am  
Not your son, not your friend, not your enemy.

Dm Am  
I rely on the little things to get, me by,

Dm Am  
Conscience says, "I'm okay",

Dm Am  
You don't hear what they say.

Dm Am  
"He's not my son, search his home"

Dm Am  
Off to war, It's time to go hide inside.

[Guitar Solo:]

Dm G7  
Soft skin, Weak chin,

Just walk me through it, tell me what to do I'll do

Dm G7  
Hurry hurry, that's my baby

CM7 Am  
Ohh, do what you can.

Dm G7 CM7 Am  
All the time - he waits for me.

Dm G7 CM7 Am  
And now we talk from time to time,

Dm G7  
Hits you on the head when nobody's there,

CM7 Am  
Then he says, "come here could you fix my tie?"

Dm G7  
It's never gonna be,

CM7 Am  
To be is not the way to be.

Dm G7

Show me where to go, don't get angry so quickly,  
 CM7 **Am**  
 Fuck depression.
