

Juliana de Paula - Tô Com Saudade

tom:

Am

Am C7 Dm7

Tô com saudade de você

Saudade do teu coração

Saudade daquela canção

Que um dia o amor nos fez cantar... sim!

Saudade do aperto de mão

Do abraço da paz, da comunhão

Uma mesa, um café, um pedaço de pão

Pra gente poder partilhar

C7 Dm7 E7 Am

Mas, vai passar, esse tempo vai passar

Na fé, no amor, a esperança

Nos salvará

Vai passar, um novo dia surgirá

E nesse dia quero te encontrar bem

Fique longe agora pra que quando se encontrar

Não falte ninguém

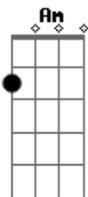

Viver é cultivar simplicidade

Plantar semente de felicidade

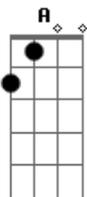

Viver é cultivar simplicidade

Plantar semente
