

# Juliana de Paula - Tô Com Saudade

tom:

Am

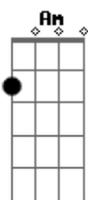

Tô com saudade de você  
 Saudade do teu coração  
 Saudade daquela canção  
 Que um dia o amor nos fez cantar... sim!  
 Saudade do aperto de mão  
 Do abraço da paz, da comunhão  
 Uma mesa, um café, um pedaço de pão  
 Pra gente poder partilhar

C7 Dm E7 Am

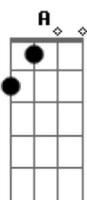

Mas, vai passar, esse tempo vai passar  
 Na fé, no amor, a esperança  
 Nos salvará  
 Vai passar, um novo dia surgirá  
 E nesse dia quero te encontrar bem  
 Fique longe agora pra que quando se encontrar  
 Não falte ninguém

F G A A7  
 Viver é cultivar simplicidade  
 F G A Am  
 Plantar semente de felicidade  
 F G A A7  
 Viver é cultivar simplicidade  
 F G G  
 Plantar semente
