Intro: Dbm B A Gbm Ab7 Dbm Ab7
Dbm B A Gbm Ab7 Dbm Ab7

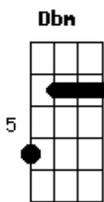

De perto posso não ser como você imagina
Mas é bem provável que eu vá te surpreender
E esses pensamentos soltos Rolando pelas esquinas
Te fazem se perder

Bem mais do que você pensou
Pode acontecer
Bem mais do que você sonhou
Seus olhos podem ver
Nessas madrugadas desfaço a personagem
Sou nua, cristalina e natural
Minha caminhada pede passagem
Pra transcender o bem e o mal
