# Julie and the Phantoms - Wake Up

```
                             tom:
                        F
Intro:  F   Bb   F   Bb
```

```
F              Bb
Here's one thing I want you to know
F                Bb
You got someplace to go
F                Bb
Life's a test, yes but you go toe-to-toe
F                Bb
You don't give up, no you grow
F
And you use your pain
Bb
'Cause it makes you you
F
Though I wish I could hold you through it
Bb
I know it's not the same
F
You got living to do
Bb
And I just want you to do it

F
So get up, get out relight that spark

You know the rest by heart

F
Wake up, wake up if it's all you do
Bb
Look out, look inside of you

F                     Bb
Raising your voice to the rain
F
Wake up your dream and make it true
Bb
Look out, look inside of you

Bb
Relight that spark time to come out of the dark
F
Wake up wake up

(  F   Bb   F   Bb )

F
Better wake those demons
Bb
Just look them in the eye
F          Bb
No reason not to try
F
Life can be a mess
F
I won't let it cloud my mind
```

```
Bb
I'll let my fingers fly
F
And I use the pain 'cause it's part of me
Bb
And I'm ready to power through it
F
Gonna find the strength find the melody
Bb
'Cause you showed me how to do it

F
Get up, get out relight that spark

You know the rest by heart

F
Wake up, wake up if it's all you do
Bb
Look out, look inside of you

F                     Bb
Raising your voice to the rain
F
Wake up your dream and make it true
Bb
Look out, look inside of you

Bb
Relight that spark time to come out of the dark
F          Bb
Wake up wake up

F                 Bb
So, wake that spirit, spirit
F             Bb
I wanna hear it, hear it
F             Bb
No need to fear it you're not alone
F               Bb
You're gonna find your way home

F
Wake up, wake up if it's all you do
Bb
Look out, look inside of you

F                     Bb
Raising your voice to the rain
F
Wake up your dream and make it true
Bb
Look out, look inside of you
F
When you feel lost
Bb
Relight that spark time to come out of the dark
F          Bb
Wake up mm-mm wake up
```
