A
Hearts on fire
Gbm
We're no liars, so we say what we wanna say
A E
I'm awakened, no more faking
Gbm D
So we push all our fears away

A
Don't know if I'll make
E
'Cause I'm falling under
Gbm
Close my eyes and feel my chest
D
Beating like thunder

A E
I wanna fly
Gbm
Come alive
D
Watch me shine

A
I got a spark in me
E
Hands up if you can see
Gbm
And you're a part of me
D
Hands up if you're with me
A
Now till eternity
E
Hands up if you believe
Gbm D
Been so long and now we're finally free

A
We're all bright now
E
What a sight now
Gbm D
Coming out like we're fir?works
A
Marching on proud

Turn it up loud
