                                                                Cause you liked them first
                                                                                  Αm
[Primeira Parte]
                                                                And if somebody hurts you
                                                                I?m gonna get hurt too
If I leave you on a bad note
         C
                                                                That?s just how we work, yeah, that?s just how we work
Leave you on a sad note
                                                                It will never
Guess that means?I?m?buying lunch that?day
                                                                Am C
                Am
I know all your secrets
                                                                Change
                                                                                      Dadd9
You know?all my deep-dish
                                                                We both know what I, what I, what I
                                                                 Am C
Guess that means some things they never, they never
                                                                Mean
 Am C
                                                                When I look at you it?s like I?m looking at me
Change
                                                                [Refrão]
We both know what I, what I, what I
                                                                                   C
Mean
                                                                My life, my life would be real low, zero, flying solo
When I look at you it?s like I?m looking at me
                                                                My life, my life would be real low, zero flying solo without
                                                                vou
