Keep myself awake
at night Whenever
I close my eyes
I'm chasing
Bm G
your tail lights
G Fm
In the dark
G Em
In the dark
G Em
In the dark
ooohhh
I know you left Em D
hours ago I still

G Em D
haven't moved yet
I knew you were
G Em D
gone months ago
But I can't think
 G Em D
of anyone else
I should've said

something something
something I couldn't
 Bm G D
find something to say

you drive away

```
I just let the parking G D
lot swallow me up
    Bm
Choking your tires
G D
and kicking up dust
    Bm
Asking aloud why
G D
you leaving? But the
    Rm
pavement won't answer me
I just let the
Bm G
silence swallow
D
me up The ring
Bm G
in my ears tastes
like blood Asking
aloud Why are you
leaving? But the
pavement won't
Bm G D
answer me
I know I meant nothing G D
nothing to you I thought Bm
I meant something
something something
But I just said nothing
said nothing said
nothing Sat and watched
G D
you drive away
I just said nothing
G

nothing I can't
  Bm
think of anyone
G D
anyone else I can't
 Bm
