

Julio Iglesias - If You Go Away

tom:

Intro: Bm Bm G Gb7

Bm Bm If you go away on this summer day
 G Then you might as well take the sun away
 A7 All the birds that flew in the summer sky
 D And our love was new and our hearts were high
 Em Gb7 When the day was young and the night was long
 Bm Bm And the moon stood still for the night bird song
 G Gb Bm G Bm If you go away, if you go away, if you go away
 Bm Em But if you stay I'll make you a day
 Gb7 Gb Bm Like no day has ever been or will be again
 G We'll sail on the sun we'll ride on the rain
 Em A D Gb We'll talk to the trees and worship the wind
 Bm C But if you go I'll understand
 Gb7 Gb Bm Leave me just enough love to fill up my hand
 D Em Gb

If you go away, if you go away, if you go away
 Bm Bm If you go away yes I know you must
 G Em A7 There'll be nothing left in the world to trust
 D Just an empty room full of empty space
 Like the empty look I see on your face
 Em Can I tell you now as you turn to go
 Gb7 Gb Bm Bm I'll be dying slowly till your next hello
 Em Gb7 Bm G If you go away, if you go away, if you go away
 Bm Em But if you stay I'll make you a night
 Gb Bm Like no night has ever been or will be again
 G I'll sail on your smile I'll ride on your touch
 A7 D I'll talk to your eyes that I love so much
 Bm C But if you go I won't cry
 Gb7 Gb Bm For the good has gone from the world goodbye
 D Em Gb7 Gb If go away, If go away, If go away!
 [Final] Bm Bm Em Bm
