

## Julio Iglesias - To All The Girls Ive Loved Before

```
tom:
               G
Intro: Gb Db B Gb Db B Gb
To all the girls I've loved before
                    Abm7
Who travelled in and out my door
     Db4
I'm glad they came along
     Db4
                 Db7
I dedicate this song
To all the girls I've loved before
To all the girls I once caressed
                  Abm7
And may I say I've held the best
                  Db4 Db7
For helping me to grow
             Db4 Db7
I owe a lot I know
To all the girls I've loved before
[Refrão]
The winds of change are always blowing
                      Abm7
And every time I try to stay
                               Db4
                                     Db7
The winds of change continue blowing
              Db7 Gb Gb4 Gb
And they just carry me away
[Segunda Parte]
To all the girls who shared my life
                   Abm7
Who now are someone else's wives
I'm glad they came along
               Db4 Db7
```

```
I dedicate this song
To all the girls I've loved before
To all the girls who cared for me
Who filled my nights with ecstasy
                     D D7
They live within my heart
I'll always be a part
Of all the girls I've loved before
[Refrão 2]
The winds of change are always blowing
And every time I try to stay
The winds of change continue blowing
               D7
And they just carry me away
To all the girls we've loved before
                     Am7
Who travelled in and out our doors
We're glad they came along
We dedicate this song
To all the girls we've loved before
                       G
To all the girls we've loved before
                     Am7
Who travelled in and out our doors
                      D D7
We're glad they came along
                 D D7
We dedicate this song
                      Eb
                            F
To all the girls we've loved before
