

Julio Iglesias - When I Need You

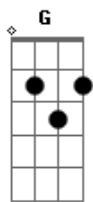

tom:
C
C
When I need you
G
I just close my eyes and I'm with you
E7 Am
And all that I so want to give you
G
Is only a heartbeat away
C
When I need love
G
I hold out my hands and I touch love
E7 Am
I never knew there was so much love
G
Keeping me warm night and day
Am G
Miles and miles of empty space in between us
Am G
The telephone can't take the place of your smile
C Dm
But you know I won't be travelling forever
F
It's cold out
Dm
So hold out
F G
And do like I do
C
When I need you
G
I just close my eyes and I'm with you
E7 Am
And all that I so want to give you
G
Is only a heartbeat away

It's not easy when the road is your driver
Am G
Honey that's a heavy load that we bear
C Dm
But you know I won't be travelling a lifetime
F
It's cold out
Dm
So hold out
F G
And do like I do
C
When I need you
C
When I need love
G
I hold out my hands and I touch love
E7 Am
I never knew there was so much love
G
Keeping me warm night and day
C
When I need you
G
I just close my eyes
Am
And you're right by my side
G
Keeping me warm night and day
C
I just hold out my hand
C
Hold out my hand
G
And I'm with you
E7 Am
All I wanna give you
G
Is only a heartbeat away
C
When I need you
