

Julio Iglesias - When You Tell Me That You Love Me

tom:

I wanna feel this way longer than time

I wanna know your dreams, and make them mine

I wanna change the world only for you

All the impossible I wanna do

I wanna hold you close under the rain

I wanna kiss your smile, and feel your pain

I know what's beautiful, looking at you

Here in a world of lies, you are the true. And baby

Everytime you touch me, I become a hero

I'll make you safe no matter where you are, and bring you

Anything you ask for, nothing is above me

I'm shining like a candle in the dark

When you tell me that you love me

(A B7 G)

I wanna make you see just what I was

Show you the loneliness, and what it does

You walked into my life to stop my tears

Everything's easy now I have you here

In a world without you, without you I would always hunger

All I need is your love to make me stronger

(G Em C D)
(E Dbm A B7)

And baby

Everytime you touch me, I become a hero

I'll make you safe no matter where you are, and bring you

Anything you ask for, nothing is above me

I'm shining like a candle in the dark

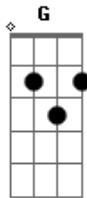

When you tell me that you love me

When you tell me that you love me

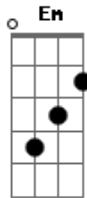

When you tell me that you love me

When you tell me that you love me
