

Jungkook - Hate You

tom:

Intro: D Em G D

I wish you went behind my back

And told me lies and stuff

Like that

I wish you kissed someone

I know

And did the unforgivable

Maybe hatin' you's the only

Way it doesn't hurt

So I'm gonna hate you, I'm gonna hate you

Paint you like the villain

That you never were

I'm gonna blame you for

Things that you don't do

Hating you's the only way it

Doesn't hurt

We weren't perfect, but we came close

Until I put all of our pain

Under the microscope

And I still can't face it

I'm still in love, for what it's

Worth

Maybe hatin' you's the only

Way it doesn't hurt

So I'm gonna hate you, I'm

Gonna hate you

Paint you like the villain

That you never were

I'm gonna blame you for

Things that you don't do

Hating you's the only way it

Doesn't hurt

(Gm D Gm D Bm G A)

Ooh, ooh, ooh, ooh-ooh

Ooh, ooh-ooh, ooh-ooh

It's not the truth

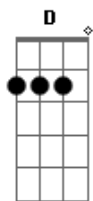

It's not the cure

But hatin' you's the only

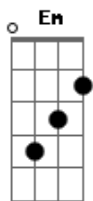

Way it doesn't hurt

Way it doesn't hurt
