

# Jungkook - Hate You

tom:

Intro: D Em A D

[Primeira Parte]

I wish you went behind my back  
And told me lies and stuff like that  
I wish you kissed someone I know  
And did the unforgivable

[Pré-Refrão]

Maybe hatin' you's the only  
Way it doesn't hurt

[Refrão]

So I'm gonna hate you  
I'm gonna hate you  
Paint you like the villain  
That you never were  
I'm gonna blame you for  
Things that you don't do  
Hating you's the only way  
It doesn't hurt

[Segunda Parte]

We weren't perfect  
But we came close  
Until I put all of our pain

Under the microscope

And I still can't face it

I'm still in love

For what it's worth

[Pré-Refrão]

Maybe hatin' you's the only  
Way it doesn't hurt

[Refrão]

So I'm gonna hate you

I'm gonna hate you

Paint you like the villain

That you never were

I'm gonna blame you for

Things that you don't do

Hating you's the only way it

Doesn't hurt

[Interlúdio]

Ooh, ooh, ooh, ooh  
Ooh, ooh, ooh

[Final]

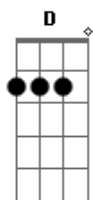

It's not the truth

It's not the cure

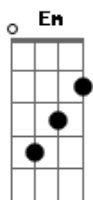

But hatin' you's the only

Way it doesn't hurt
