

Jungkook - Lost Stars

tom:

G

Oh, oh, yeah

Please, don't see

Just a boy caught up in dreams and fantasies

Please, see me

Reaching out for someone I can't see

Take my hand, let's see where we wake up tomorrow

Best laid plans, sometimes are just a one night stand

I'll be damned, cupid's demanding back his arrow

So let's get drunk on our tears

And, God, tell us the reason

Youth is wasted on the young

It's hunting season and the lambs are on the run

Searching for meaning

But are we all lost stars

Trying to light up the dark?

Who are we?

Just a speck of dust within the galaxy?

Woe is me

If we're not careful turns into reality

But don't you dare let our best memories bring you sorrow

Yesterday I saw a lion kiss a deer

Turn the page

Maybe we'll find a brand new ending

Where we're dancing in our tears

And, God, tell us the reason

Youth is wasted on the young

It's hunting season and the lambs are on the run

Searching for meaning

But are we all lost stars

Trying to light up the dark?

Woo, ooh, ooh

And I thought I saw you out there crying (yeah)

And I thought I heard you call my name (oh, oh)

And I thought I heard you out there crying (oh)

Just the same (oh, yeah, oh)

God, give us the reason

Youth is wasted on the young

It's hunting season and this lamb is on the run

Searching for meaning

But are we all lost stars

Trying to light up the dark?

Ooh, ooh, ooh

And I thought I saw you out there crying (crying, crying)

And I thought I heard you call my name

And I thought I heard you out there crying (oh)

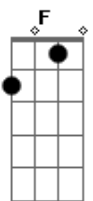

Are we all lost stars trying to light up the dark?

Are we all lost stars trying to light up the dark?
