tom: Dbm

Same back roads, switchin' lanes Gbm Abm Dbm

My mind is racin', I can drive myself insane Gbm Abm Dbm

Winter's cold and summer's strange Dbm

Don't turn around and act like you don't feel the same Gbm Abm Dbm

Oh, oh, we both know Dbm

Say it again, say it again Gbm Abm Dbm

Like, oh, oh, it's time to let go Gbm

When you go out in the night Abm

You're under the lights Dbm

Oh, I hope that you find somebody Gbm

Hope that you find somebody to ride Abm

Somebody to die Dbm

Oh, I hope that you find somebody Gbm

I hope you know that somebody ain't me Abm

La-la-la, la-la-la, la-la-la, la Dbm

Hope you know that somebody ain't me Gbm

La-la-la, la-la-la, la-la-la, la Abm

Hope you know that somebody ain't me Dbm

La-la-la, la-la-la, la-la-la, la Gbm

Hope you know that somebody ain't me Gbm

La-la-la, la-la-la, la-la-la, la Abm

Hope you know that somebody ain't me Dbm

La-la-la, la-la-la, la-la-la, la Gbm

Hope you know that somebody ain't me Gbm

La-la-la, la-la-la, la-la-la, la Abm
