

Junior Cardoso - Refina-me

Tom: G
Intro: Em7 G D Am7 Em7 G D Am7

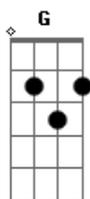

Refina o ouro
Refina a prata
Refina tudo o que eu tenho para dar
Refina a vida que tu me deste
Com o Teu sangue venha me purificar
Muda-me, senhor e me faz um vaso novo
Se preciso for, me quebrarei em tuas mãos
Pois eu tenho certeza

Que me amas tão profundamente
Que minhas fraquezas se consomem
Teu amor arde em mim
Com um fogo que é santo
Tua unção é pra mim
Como um rio de águas vivas
Restaura-me, completa em mim o que tu começastes, Senhor
Me refina com Teu fogo
Vem refinar o meu coração
