

Junior Villa - Novela Mexicana

Tom: G

Segunda - feira a gente volta

Terça -feira a gente larga

Quarta-feira ela pensa e quer negociar

Só porque tá chegando a sexta - feira

E ela não quer me ver fazer besteira

Mas só que essa semana ela nem me ligou

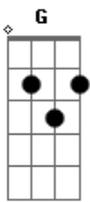

O corazón partío nem tequila concertou

E essa semana nem teve negociação
Agora estoy bebaço jogado de lado hablando com
O garçom

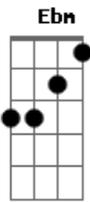

Estoy bebaço estoy
Novela mexicana acabou

Pego mi corazón
Arriba, abajo a centro
E chutou
