

Júpiter Maçã - Exactly

Tom: **B**

B **E** **A**
I am exactly what you thought I was

Why don't you show me

The places that you like to go

Show me the way you'd like

This Thing to roll

Show me and confess me all your secrets

G
Everybody turns around runs around

And falls in love with you **B**

G
Every one you gonna meet will tell

Gb
You all you gotta do is fly high

Acordes
