

# Júpiter Maçã - Six Colours Frenesi

Tom: **C**  
Intro: **Am G F**

**Am** **G**  
My frenesi  
**F** **Am G F**  
Your frenesi  
**Am** **G**  
My frenesi  
**F** **Am G F**  
Your frenesi

**Am** **G** **D**  
When the moon is white and wild  
**Am** **G** **D**  
And the stars get into a fight

**Am** **G** **D** **Am**  
Colours confuse me like caught in a trap

My frenesi is golden, your frenesi is black.

( **Am G F** )

My frenesi  
Your frenesi  
My frenesi  
Your frenesi

In my blood runs hot cigarretes  
Cream flows like uniform sparks  
We showld have known from the very start  
The frenesi is blue, our frenesi is dark

Final:

**Am** **G** **F**  
Gimme, gimme six colours  
**Am** **G** **F** **Am**  
Gimme, gimme six colours frenesi.
