

Justin Bieber - All Around The World

```
We're not the only ones doin' it like that, and like that
                                            C )
                                                              So DJ bring that, bring that, bring that, bring that back.
(com acordes na forma de
Capostraste na 4º casa
Intro: 2x: Em Bm Am C
                                                              Cuz all around the world
                                                                  Bm Am
                                                                                      ( C )
         Fm
                         Bm
You're beautiful, beautiful you should know it
                                                              People want to be loved, yeah
(You're beautiful, beautiful you should know it)
                                                              Cuz all around the world,
                            Bm
                                                                    Bm
                                                                             Am
I think it's time, think it's time that you show it
                                                              They're no different than us.
                                                                          Em
You're beautiful, beautiful
                                                              All around the world
                                                                                       ( C )
                                                                   Bm
                                                              People want to be loved
Go-go-go
                          Rm
                                                              All around the world,

Am (C)
                                                                           Em
Baby whatcha doin' where you at, where you at?
                                                              They're no different than us.
Why you acting so shy?
                                                                          Em
Holding back, holding back.
                                                              All around the world!...
We're not the only ones doin' it like that, and like that
                                                              ( Em ) - Bm - Am - C
        Am
So DJ bring that, bring that, bring that, bring that back.
                                                              (Ludacris): [You can play Em - Bm - Am - C and repeat that]
                                                              Yeah..
                                                              Once again,
Cuz all around the world
                                                              The dynamic duos is back again!
        Bm
                                 ( C )
                                                              Jb, luda!
People want to be loved, yeah
                                                              I love everything about you,
                                                              You're imperfectly perfect!
                  Fm
Cuz all around the world,
                                                              Everyone's itching for beauty
                                                              But they're just scratching the surface.
        Bm
They're no different than us.
                                                              Lost time is never found,
                                                              Could the DJ please reverse it
             Fm
                                                              In life we pay for change
All around the world
                                                              Let's make every second worth it!
    Bm
           Am
                         ( C )
                                                              Anything could work if you work it
                                                              When people say you don't deserve it
People want to be loved
                                                              Then don't give in, cuz hate may win some battles
              Em
                                                             But love wins in the end!
All around the world,
                                                              You shine just like the sun
                                                              while the moon and the stars reflect your light
      Bm
They're no different than us.
                                                              Beauty evolves around you
                                                              It's only right that..
            Fm
All around the world!...
( Em ) - Bm - Am - C x2
                                                              All around the world
                                                                  Bm Am
     Fm
                        Rm
                                                              People want to be loved, yeah
You're crazy girl, crazy girl you should know it
                                                              Cuz all around the world,
You're crazy girl, crazy girl don't control it
                                                                                               ( C )
                                                                       Bm
                                                              They're no different than us.
                      Bm
Light it up, light it up, so explosive
You're crazy girl, ye-yeah
                                                              All around the world
                                                                  Bm
                                                                             Am
                                                                                       ( C )
                                                              People want to be loved
Baby whatcha doin' where you at, where you at?
                                                                           Em
Why you acting so shy?
                                                              All around the world,
                                                                   Bm
                                                                                     Am
                                                                                             ( C )
     C
                                                              They're no different than us.
Holding back, holding back.
           Em
                                    Rm
                                                                          Em
                                                              All around the world!
