

# Justin Bieber - Been You

Tom: Bb

(com acordes na forma de A)  
Capostrate na 1ª casa  
Intro: D Bm E Gbm

Feeling the remnants, gone in an instance  
Blink of an eye, no goodbye  
I had a notion deep as the ocean  
Blue like the sky, oh my

Like a permanent stain wishing I could just wash away, away  
Prayed our love wasn't vain  
Who was to blame for all the pain? For all the pain?

If I would've known, if I would've known  
If I would have known it could have been you  
If I had the chance, if I had the chance I'd make us brand new  
I never wanted to be, wanted to be your enemy  
No, but if I, if I would've known  
If I would have known it could have been you, been you

The repercussions of missing your loving  
Haunts me at night, the ghosts are alive

All of the memories  
A serenity dwindle in my mind  
All the time

Like a permanent stain wishing I could just wash away, away  
Prayed our love wasn't vain  
Who was to blame for all the pain? For all the pain?

If I would've known, if I would've known  
If I would have known it could have been you  
If I had the chance, if I had the chance I'd make us brand new  
I never wanted to be, wanted to be your enemy  
No, but if I, if I would've known  
If I would have known it could have been you, been you

Interlude  
D Bm E Gbm x2

If I would've known, if I would've known  
If I would have known it could have been you  
If I had the chance, if I had the chance I'd make us brand new

No, but if I, if I would've known
