

Justin Bieber - Believe

Tom: C

(Believe)

Believe, Believe, Believe

I don't know how I got here,
I knew it wouldn't be easy.

But your faith in me was so clear

It didn't matter how many times I got knocked on the floor

But you knew one day I would be standing tall.
Just look at me now.

'Cause everything starts from something

But something would be nothing.

Nothing if your heart didn't dream with me.
Where would I be,
if you didn't believe

(Believe)

Believe...

There were days when I was broken, you know
There were nights when I was doubting myself
But you kept my heart from falling.

It didn't matter how many times I got knocked on the floor

But you knew one day I would be standing tall.
Just look at us now.

'Cause everything starts from something

But something would be nothing

Nothing if your heart didn't dream with me
Where would I be,
if you didn't believe?

Where would I be, if you, if you
If you didn't believe
Would I know how it feels to
Touch the sky, if you didn't believe
Believe, Believe

Where would I be, if you, if you
If you didn't believe
Would I know how it feels to
Touch the sky, if you didn't believe
Believe, Believe

You knew one day I would be standing tall
Just look at us now

'Cause everything starts from something

But something would be nothing

Nothing if your heart didn't dream with me

'Cause everything starts from something

But something would be nothing

Nothing if your heart didn't dream with me
Where would I be,
if you didn't believe?

Where would I be, if you, if you
Didn't believe
Would I know how it feels to
Touch the sky, if you didn't believe
Believe, Believe

Where would I be, if you didn't believe?
