

# Justin Bieber - Deja Vu (feat. Post Malone)

Tom: C

C Cm Gb4 G Em Dm Dm

Oohh, ooh

Cause I can't take it no more

No you ain't like them bitches, tell them hoes adios

And you can drop your panties

leave them shits at the door

Dior falls on the floor

I swear we been here before

I'm tryna see you from my own perspective

You all in my section tryna come to my session

We runnin' a pressure, you know that we flexin'

We bought all the bottles, we came with the models

Girl this a confession, I'm not like your exes

I came in from Texas, and now that we textin'

You can fly in whenever, now you undressin'

Panties on the dresser, your hair gettin' messed up

The feelin' we catchin', my love is a blessin'

Made love in that Lexus, made love in that Lexus

I know you remember

Tell me is that deja vu?

Cause you want me and I want you

Tell me is that deja vu?

Cause baby this ain't nothing new, no

Tell me is that deja vu?

Cause you want me and I want you

Tell me is that deja vu?

Cause baby it ain't nothing new, no

Oh you actin' reckless

I told you that I need affection

So let me point you in the right direction

It's so important that you get the message

Yeah I gotta say

Gotta say somethin' to you, you, you  
I'm on a roll

I'm gonna roll out in that new, new, new

If you wanna do what I wanna do

Well uhm-uhm-uhm

Well I guess that's just deja vu

Tell me is that deja vu?

Cause you want me and I want you

Tell me is that deja vu?

Cause baby it ain't nothing new, no

Tell me is that deja vu?

Cause you want me and I want you

Tell me is that deja vu?

Cause baby it ain't nothing new, no

Tell me if you want it baby

Cause I know I can drive you crazy

I just wanted you to know now

Oh-oh, oh-ohhh

Show up in that new Mercedes

You already know I'm faded

Girl I've been thinkin' about you lately

Oh-oh, oh-ohhh

Tell me is that deja vu?

Cause you want me and I want you

Tell me is that deja vu?

Cause baby it ain't nothing new, no

Tell me is that deja vu?

Cause you want me and I want you

Tell me is that deja vu?

Cause baby it ain't nothing new, no

Cause I can't take it no more

No you ain't like them bitches, tell them hoes adios

And you can drop your panties

Leave them shits at the door

Dior falls on the floor

I swear we been here before
