

# Justin Bieber - First Dance

Tom: **G**

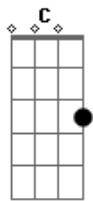

**C**  
When I close my eyes,  
**G**  
I see me and you at the prom  
**Em**  
We've both been waiting so long  
**D**  
For this day to come  
**D**  
Now that its here  
**C**  
Let's make it special  
**C**  
(I can't deny)  
**G**  
There's so many thoughts in my mind  
**G**  
The D.J.'s playing my favorite song  
**D**  
Ain't no chaperones  
**D**  
This could be the night of your dreams  
**C**  
Only if you give, give the first dance to me  
**Em**  
Girl I promise I'll be gentle  
**D**  
I know we gotta do it slowly  
**C**  
If you give, give the first dance to me  
**Em**

I'm gonna' cherish every moment  
**D**  
'Cuz it only happens once, once in a lifetime  
**C**  
I couldn't ask for more  
**G**  
We're rocking back and forth  
**Em**  
Under the disco ball  
**D**  
We're the only ones on the floor  
**C**  
(I can't deny)  
**C**  
There's so many thought in my mind  
**G**  
The D.J.'s playing my favorite song (favorite song)  
**Em**  
Now we're all alone (all alone)  
**D**  
Here's the opportunity  
**C**  
Only if you give, give the first dance to me  
**G**  
Girl I promise I'll be gentle  
**Em**  
I know we gotta do it slowly  
**D**  
If you give, give the first dance to me  
**C**  
I'm gonna' cherish every moment  
**Em**  
Cuz it only happens once once in a lifetime  
**D**  
**C**
