Flatline
Dm                         Am
Lately you've been busy, wondering if you miss me
C                         G
Why did you go against me? I just wanna know
Dm
How come you act so different?
Am
Talk to me I'll listen
C
All the love I'm giving
G
Don't act like you don't know
Am
I was out there on the road
C
Life out of control
G                       D
She became a victim to my busy schedule
Am
And I know that it's not fair
C
That don't mean that I don't care
G                       D
This one's dedicated to the girl out there
Am
Girl you always catch me at the bad time
C
When I know you probably think it's a lie
G
I know I told you last time was the last time
D
How could you pull the plug and let me flatline?
Am          C
Flatline    Flatline
D
How could you pull the plug and let me flatline?
Am
Cause when I hit you, you don't even reply
C
How could you pull the plug and let me flatline?
Am                          C
Not breathing, what is it I'm not seeing
G                           D
Said she's leaving, damn I can't believe it
```

```
Am                                          C
It's like my heart's bleeding knowing that you don't need me
G                                  D
Shut my heart down, now I don't know what imma do now
Am
I was out there on the road
C
Life out of control
G                       D
