

Justin Bieber - Heartbreaker

Tom: D

(com acordes na forma de C)

Capostrate na 2ª casa

Girl you don't know how I feel (how I really feel)
 Since you been away, oh baby
 Any chance that you could take my call (take my call),
 If I dialled you today
 Girl you say that you don't wanna talk but it's cool
 I've been thinking about you all day long, hoping you pick up
 your phone

And I know that I don't wanna lose your love, oh baby (oh
 baby) oh baby

[Chorus]

Oh girl I got a secret place that we can go

'Cause girl I really wanna be alone

And baby nobody else gotta know

Just meet later on the low

Don't tell me you're my heartbreaker

'Cause girl my heart is breaking

Don't tell me you're my heartbreaker

'Cause girl my heart is breaking

[Verse II]

Girl you see me standing here

Standing in the rain

Any chance that you could stay right here

And never go away

Girl you say that you don't wanna talk but it's cool

I've been thinking about you all day long, hoping you pick up
 your phone

And I know that I don't wanna lose your love, oh baby (oh
 baby) oh baby

[Chorus]

Oh girl I got a secret place that we can go

'Cause girl I really wanna be alone

And baby nobody else gotta know

Just meet later on the low

Don't tell me you're my heartbreaker

'Cause girl my heart is breaking

Don't tell me you're my heartbreaker

'Cause girl my heart is breaking

[Verse III]

So what I'm really trying to say is, and what I hope you
 understand

Is despite of all the imperfections of who I am I still wanna
 be your man

I know it hasn't been easy for us to talk with everyone being
 around but,

This is, this is personal, this is for me and you

And I want you to know that I still love you

And I know the seasons may change

But sometimes love goes from sunshine to rain

But I'm under this umbrella and I'm calling your name

And you know I don't wanna lose that

[Bridge]

{Pause}

I still believe in us

I still believe in love

I still believe in us

I hope you believe in us

The way I believe in us you don't see,

'Cause what you don't see, is when we don't speak

I really don't sleep, I wanna talk to ya

And if I had the world in my hands I'd give it all to ya

I wanna know if you feeling the way that I'm feelin'

I wanna know if you feeling the way that I, the way that I

You told me to be careful with your heart, your heart

You told me to be careful with your heart, your heart

Be careful with your heart
