

Justin Bieber - Home To Mama (feat. Cody Simpson)

Tom: **D**

D **D** **Bm** **A**
I don't work hard when it's easy, I put in work when it's hard

D **Bm** **A** **D**
Girl, I never believed in love until I had yours

D **Bm** **A** **D**
This is more than a season and I'm not just fun

D **Bm** **A** **D**
I'm not afraid to tell you that you're the one

D **Bm** **A** **D**
The one I wake up thinking 'bout

D **Bm** **A** **D**
The one I can run to when I'm feeling down

D **Bm** **A** **D**
Life so all good when you're around

D **Bm** **A** **D**
Girl nobody from the past is beating you right now

D **Bm**
'Cause I take you home to Mama

A **D**
Let you meet my friends

D **Bm**
'Cause you don't come with drama

A **D**
So I want you 'till the world ends

D **Bm**
You're way more than worth it

A **D**
But I don't feel like I deserve it

D **Bm**
You got the pieces

A **D**
You're my kind of perfect

D **Bm** **A** **D**
I don't work hard when it's easy, I put in work when it's hard
