

Justin Bieber - I'LL Show You

Tom: C

My life is a movie and everyone's watching
So let's get to the good part and past all the nonsense

Pre-Chorus

Sometimes it's hard to do the right thing
When the pressure's coming down like lightning
It's like they want me to be perfect
But they don't even know that I'm hurting

tabrefrão

This life's not easy
I'm not made out of steel
Don't forget that I'm human
Don't forget that I'm real
Act like you know me
But you never will
But that's one thing that I know for sure
I'll show you
I'll show you
I'll show you
I'll show you
refrão

verse 2

I got to learn things, learn them the hard way
Gotta see what it feels like, no matter what they say

Pre-Chorus

Sometimes it's hard to do the right thing
When the pressure's coming down like lightning
It's like they want me to be perfect
But they don't even know that I'm hurting

tabrefrão

This life's not easy
I'm not made out of steel
Don't forget that I'm human
Don't forget that I'm real
Act like you know me
But you never will
But that's one thing that I know for sure
I'll show you
I'll show you
I'll show you
I'll show you
