

Justin Bieber - Lifetime

tom:
Capostrate na 2ª casa

Oh, darling
There's not much that you can say
To stop me from falling in like I am
Oh, darling
Even waves can't wash away
Our names in the sand
Never could, never can
You are my everything
I'd give up everything
Show me darkest parts of your heart, I ain't gonna run
Every dance is slow, every kiss is woah
They say you know when you know, well I know
I know you're the one
Some people bring you a million blessings
Some people teach you a million lessons
All that I learned it wasn't my turn
It wasn't th? right time
Some peopl? come in your life for a reason
Others they come in your life for a season
But baby, you are a lifetime

Oh, darling
There's no word that can describe
The way that I feel tonight
Oh, darling
I would walk that broken road
Time and time again
If it led me to your hello
You are my everything
I'd give up everything
Show me darkest parts of your heart, I ain't gonna run
Every dance is slow, every kiss is woah
They say you know when you know, well I know
I know you're the one
Some people bring you a million blessings
Some people teach you a million lessons
All that I learned it wasn't my turn
It wasn't the right time
Some people come in your life for a reason
Others they come in your life for a season
But baby, you..... Are..... A lifetime
Baby, you are a lifetime
