

Justin Bieber - Lonely

tom:

Intro: **G** **Gbm** **Bm**

G Everybody knows my name now

But something about it still feels strange **Bm**
Like looking in the mirror trying to steady yourself
And seeing somebody else

G And everything is not the same now **Gbm**

Feels like all the lives I've changed **Bm**
Maybe when I'm older it'll all calm down
But it's killing me now

G What if you had it all **A**

But nobody to call? **Gbm**
Maybe then you'd know me **Bm**

G 'Cause I've had everything **A**

But no one's listening **Gbm**
And that's just fucking lonely **Bm**

G I'm so lonely **A**

Gbm Lonely **B**

G Everybody knows my past now **Gbm**

Like my house was always made of glass **Bm**
And maybe that's the price you pay
For the money and fame
At an early age

G And everybody saw me sick **Gbm**

And it felt like no one gave a shit **Bm**
They criticize the things I did
As an idiot kid

G What if you had it all **A**

But nobody to call? **Gbm**
Maybe then you'd know me **Bm**

G 'Cause I've had everything **A**

But no one's listening **Gbm**
And that's just fucking lonely **Bm**

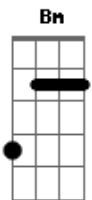

G I'm so lonely **A**

Gbm Lonely **B**

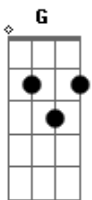

G I'm so lonely **A**

Gbm Lonely **B**
