

Justin Bieber - Love Me

```
Tom: C
                                                                Give you little more because I love ya, love ya
  Versos / Refrão: Am F C G
                                                                With me, girl, is where you belong
Ponte: F C G Am
                                                                Just stay right here
                                                                                                                         (deixe
My friends say I'm a fool to think
                                                                o G soar)
                                                                I promise my dear I'll put nothin above ya. above ya
That you're the one for me
I guess I'm just a sucker for love
                                                                Love me, Love me
'Cuz honestly the truth is that
                                                                Say that you love me
You know I'm never leavin'
                                                                Fool me, Fool me
'Cuz you're my angel sent from above
                                                                Oh how you do me
Baby you can do no wrong
                                                                Kiss me, Kiss me
My money is yours
                                                                Sav that you miss me
Give you little more because I love ya, love ya
                                                                Tell me what I wanna hear
With me, girl, is where you belong
                                                                Tell me you (love me)
Just stay right here
                                                       (Deixe o Love me, Love me
I promise my dear I'll put nothin above ya. above ya
                                                                Say that you love me
                                                                Fool me, Fool me
Love me, Love me
                                                                Oh how you do me
Say that you love me
                                                                Kiss me, Kiss me
Fool me, Fool me
                                                                Say that you miss me
Oh how you do me
                                                                Tell me what I wanna hear
Kiss me, Kiss me
                                                                Tell me u love me
Say that you miss me
                                                                My heart is blind but I don't care
Tell me what I wanna hear
Tell me you (love me)
                                                                'Cuz when I'm with you everything has disappeared
                                                                And every time I hold you near
Love me, Love me
                                                                I never wanna let you go, oh
Say that you love me
Fool me, Fool me
                                                                Love me, Love me
Oh how you do me
                                                                Say that you love me
Kiss me, Kiss me
                                                                Fool me, Fool me
Say that you miss me
                                                                Oh how you do me
Tell me what I wanna hear
                                                                Kiss me, Kiss me
Tell me u love me
                                                                Say that you miss me
                                                                Tell me what I wanna hear
People try to tell me
                                                                Tell me you (love me)
But I still refuse to listen
Cuz they don't get to spend time with you
                                                                Love me, Love me
A minute with you is worth more than
                                                                Say that you love me
A thousand days without your love, oh your love
                                                                Fool me, Fool me
Baby you can do no wrong
                                                                Oh how you do me
                                                                Kiss me, Kiss me
My money is yours
