

Justin Bieber - One Less Lonely Girl

tom:
D

There's gonna be one less lonely girl, one less lonely girl

There's gonna be one less lonely girl, one less lonely girl

How many I told yous and start overs and shoulders have you cried on before

How many promises be honest girl, how many tears you let hit the floor

How many bags you packed just to take them back

Tell me that how many either ors, but no more

If you let me inside of your world there'll be one less lonely girl

(Oh no) I saw so many pretty faces before i saw you (you), now all

I see is you (I'm coming for you, I'm coming for you)

(Oh no) Don't need these other pretty faces like i need you, and when you're mine

In the world there's gonna be one less lonely girl

One less lonely girl, one less lonely girl

One less lonely girl, there's gonna be one less lonely girl

I'm gonna put you first, I'll show you what you're worth

If you let me inside your world there's gonna be one less lonely

Girl

Christmas wasn't merry, 14th of February not one of them spent with you

How many dinner dates, set dinner plates and he didn't even touch his food

How many torn photographs I saw you taping back tell me that

Did you see an open door? but no more

If you let me inside of your world there'll be one less lonely girl

(Oh oh) I saw so many pretty faces before i saw you (you), now all

I see is you (I'm coming for you, I'm coming for you)

(No no) Don't need these other pretty faces like i need you, and when you're mine

In the world there's gonna be one less lonely girl

One less lonely girl, one less lonely girl

One less lonely girl, there's gonna be one less lonely girl

I'm gonna put you first, I'll show you what you're worth

If you let me inside of your world there's gonna be one less lonely

Girl

I can fix up your broken heart, I can give you a brand new start

I can make you believe, yhea I just wanna set one girl free to

Fall (free to fall) she's free to fall (fall in love) with me, her heart's locked and know what? i got the key

I'll take her and leave the world with one less lonely girl

There's gonna be one less lonely girl, one less lonely girl

There's gonna be one less lonely girl, one less lonely girl

I'm gonna put you first, I'll show you what you're worth

If you let me inside your world there's gonna be one less lonely

Girl
