A
So many I told yous and start overs and shoulders that I I've
cried on before

E
So many promises but nothing changes, It still like it was A
before

E
A
Your bags were packed, but I took them back, thinking that I
couldn't be alone,

E
But no more

Cause I fell for this before,

A
You just one more lonely boy

E
OH, oh , oh,

A
You say your different but your acting like all the rest,

E
Thinking youre the best,

A
That I can get,

E
No, oh,

A
I am just fine on my own,

E
I am alright, without you ,by my side A

E
Your just one more lonely boy

E
One more lonely boy,

A

One more lonely, boy,

E
One more lonely boy

A
Theres gonna be one more lonely boy

E
Putting yourself first

A
Forgetting what I'm worth,

E
You'll never take my hand, your gonna be an old and lonely man A

E
Christmas wasn't merry

A
14th of February not one of them spent with you

E
A
Couldn't even call, and worst of all, I found out she was with
you

E
A
And the photographs, in the garbage out back, cause I can't
even look at you

E
No more,

A
I fell for this before,

E
OH, oh , oh,

A
You say you're different but your acting like all the rest,

E
Thinking you're the best,

A
That I can get,

E
No, oh,

A
I am just fine on my own,

E
I'm alright, without you ,by my side A

E
Your just one more lonely boy
