When you feel it in your body

You found somebody who
     F
Makes you change your ways

Like hanging with your crew
  Am
And act like you're ready

But you don't really know
     F
And everything in your past

You wanna let it go
  Am
I've been there, done it, humped around
  F
After all that this is what I found
  Am
And everyone of y'all are just like me, yeah

It's too bad that you can't see

That you've got it

  Am
You got it, you got it bad

When you're on the phone
     F
Hang up and you call right back
  Am
You got it, you got it bad
                         F
If you miss a day without your friend

Your whole life's off track
  Am            G
And you got it bad
  F                     C
When you stuck in the house
              Dm
You don't wanna have fun
      G
She's all you think about
  Am          G
You got it bad

This got me stuck between my fantasy

And what is real

I want it when I don't
  Am
To myself I'll stop every day

Knowing that I won't
  F                 G
I've got a problem and I

(Don't know what to do about it)
  Am
Even if I did I don't know if I would quit
                         F
But I doubt it, I'm
 G G                      Dm

                            F
And I know this much is true
       G    G            Am
Baby, you have become my addiction
                     F
