

Justin Bieber - Walking Away

tom:

G

Intro: D E

[Primeira Parte]

Days go by so fast, I wanna spend them with you
So tell me why you're throwing stones at my back
You know I'm defenseless, oh

[Pré-Refrão]

And, girl, we better stop before we say some shit
We've been testing our patience
I think we better off if we just take a breath
And remember what grace is

[Refrão]

Baby, I ain't walking away

You are my diamond

Gave you a ring

I made you a promise
I told you I'd change

It's just human nature

These growing pains
And baby, I ain't walking away

[Post-Refrão]

And ev?ry time you don't say my name
I'm remind?d how I love when you say it
I know we have this moment to face
But, baby, I ain't walking away
Baby, I ain't walking away

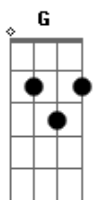

[Segunda Parte]

Change takes time, girl
Let's see what we can do, uh
(We can do, we can do, we can do, we can do)
'Cause even when they leave
I keep on dreaming of the best parts of you, oh

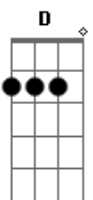

[Pré-Refrão]
