Justin Bieber - Yukon

```
                   tom:
                   Gm
                   Cm
In the city, uh
                            Dm
Remember you used to drive a Yukon
                   Gm
I'd pick up whenever you called

In the parkin' lot in Tucson, like
                   Cm
Uh, are you with me?
                   Dm
In the Phantom with the roof gone
                        Gm
I pull up like Jimmy Neutron
                                        Cm
I can help you get a move on, like U-Haul, and I know

                         Dm
Uh, you like to go slow
                   Gm
But we could go faster

Tell me the password
Cm                              Dm
Slide city, slide city, you know what that means, uh
                        Gm
I'm comin' up on you quickly, mm, I'll bring nice things, uh
      Cm                              Dm
Slide city, slide, plenty other men tryna get in the bed
                   Gm
So I'ma get slouched instead

I know it's gon' make you beg

             Cm
What would I do (what would I do?)
             Dm
If I didn't love you, babe?
                   Gm
What would I do

If I didn't love you, babe?
             Cm      Dm         Gm
What would I do (what would I do?)

If I didn't love you?

Mm (yeah), mm

Cm                         Dm
Just wanna be the one to give you what you want
Gm
```

```
I could put you in the Yves Saint Laurent
                                              Cm
Ridin' 'round town with your hair down, uh (true)
                                              Dm
I know you like it when I tell you what you want
                                      Gm
Keep your plan, what you're doin' with me tomorrow

I can tell your friends you need your mantra

I know, I know, uh

Cm                   Dm
Uh, you like to go slow
                        Gm
But we could go faster
Gm
Tell me the password (uh)
Cm.                          Dm
Slide city, slide city, you know what that means, uh
                        Gm
I'm comin' up on you quickly, mm, I'll bring nice

Things (yeah) (baby, I'll bring nice things)
      Cm                                    Dm
Slide city, slide, plenty other men tryna get in the bed
                   Gm
So I'ma get slouched instead

I know it's gon' make you beg

             Cm
What would I do, uh
             Dm
If I didn't love you, babe?
                   Gm
What would I do

If I didn't love you (love), babe?
             Cm   Dm         Gm
What would I do (what would I do?)

If I didn't love you?

(What would I, what would I do?)

Cm
Love you, love you
Dm
Love you, love you
Gm
Love you, love you

Love you, love you
```
