Heart on a string

A string that only plays solos
Bm **D**

Rain made of echoes

G **Bm**
Tidal wave rushing on and on

D **Bm**
Under the water you scream so loud but the silence surrounds
you

A **G**
But I hear it loud and you fall in the deep and I'll always
find you

D **Bm**
If my red eyes don't see you anymore

A **G**
And I can't hear you through the white noise

D **Bm**
Just send your heartbeat I'll go to the blue ocean floor

A **G**
Where they find us no more

On that blue ocean floor

D
On that blue ocean floor

Bm
On that blue ocean floor

A
On that blue ocean floor

G
On that blue ocean floor

Bm **D**
Shell made out of gold

G **Bm**
Found on a beach picked up and you held so close

Bm **D**
Rain washed out its glow

G **Bm**
Heartbeat steadily leads me down below

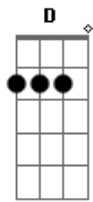

Bm
20,000 leagues away, catch up to you on the same day

Bm
Travel at the speed of light, thinking the same thoughts at
the same time

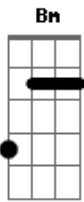

Bm
Heartbeat set at steady pace, I'll let the rhythm show me the
way

Bm
No one can find us here, fade out and disappear
