I brag about you to anyone outside C F

 Hey sugar plum, look at where we are F  
 So tonight if I take it too far G F

But then your hands talking, fingers walking C  
 Down your legs, hey there's the faucet F  
 Someone's knocking like they know G F C  
 But baby, don't you stop it, yes I'm watching C  
 Your hand slides down the light G F C  
 And girl you know

I brag about you to anyone outside C F
