Parte 1:

Parte 1:

Bm A Em  
Aren't you somethin' to admire, cause your shine is somethin'  
like a mirror

Bm A Em  
And I can't help but notice, you reflect in this heart of mine  
If you ever feel alone and the glare makes me hard to find  
Just know that I'm always parallell on the other side

Bm A Em  
Cause with your hand in my hand and a pocket full of soul  
I can tell you there's no place we couldn't go  
Just put your hand on the glass, I'm here tryin' to pull you  
through  
You just gotta be strong

Refrão:

D  
Cause I don't wanna lose you now  
I'm lookin' right at the other half of me  
The vacancy that sat in my heart  
is a space that now you hold  
Show me how to fight for now  
And I'll tell you baby, it was easy  
Comin' back into you once I figured it out  
You were right here all along

D  
It's like you're my mirror  
(oh oh) My mirror staring back at me  
I couldn't get any bigger  
(oh oh) With anyone else beside of me  
And now it's clear as this promise  
That we're making two reflections into one  
Cause it's like you're my mirror  
(oh oh) My mirror staring back at me, staring back at me

repete parte 1

Bm A Em  
Aren't you somethin' an original cause it doesn't seem merely  
assembled

Em G  
And I can't help but stare cause I see truth somewhere in your  
eyes

Bm A Em  
ooh I can't ever change without you, you reflect me, I love  
that about you  
And if I could, I would look at us all the time

Bm A Em  
Cause with your hand in my hand and a pocket full of soul  
I can tell you there's no place we couldn't go  
Just put your hand on the glass, I'm here tryin' to pull you
